Equipment:

Two full sets of free standing AAI Elite equipment & matting to support a full Capital Cup event.
The warm up gym will use a 12'x60' tumbling strip in lieu of a full floor exercise mat.

Entry Information:

All entries will be done online this year. Go to **mygymmeet.com** and find the 2017 NY Men's State Meet. To register your athletes follow the step-by-step instructions on the website HELP section. You will need to ensure your gymnast roster in the USAG database is accurate with respect to gymnasts Levels and Divisions. Please update these prior to uploading your NY State Meet roster. For additional help, contact: **support@mygymmeet.com**

Entry Deadline:

Entries will be due by January 16th, 2017. The meet will be closed for registrations as of January 17th, 2017. If you still have unregistered athletes and would like to try to get them in the meet, send an email to meet director Karl Jaanimagi (**jaanik@alum.rpi.edu**). Late entries will **ONLY** be admitted to the meet if there is room in the session and charged a \$25 per gymnast late fee. Scratches will be allowed until March 1 with a full refund, so if you are not sure about a gymnast, enter him. After March 1 there will be no refunds except for injury (with a doctor's excuse) or gymnasts who did not make the qualifying score.

High School Gymnasts and Graduating Seniors:

This year, USAG will be recognizing all high school gymnasts and New York State will be recognizing all graduating seniors. Please indicate the name of the high school attended by each high school aged gymnast in the NOTES section of the online entry form. High School age gymnasts will not be able to enter without this information. Also indicate which of your gymnasts are graduating seniors.

Junior Elite Gymnasts:

Don't forget to indicate your Junior Elite Gymnasts (those doing the Technical Sequences) on the online entry form.

Coaches Registration:

Please enter all coaches who will be attending the State Meet. Coaches who are not entered will have to show their current USAG credentials at the meet.

Entry Fees:

Entry fees will be \$75 for individuals. All payments will be made during the registration process on **mygymmeet.com** via PayPal or E-check. Teams will be entered automatically. Teams will be free of charge.

Qualifying Scores:

Qualify scores for all levels will be set by December 15th and posted to the NYS Boys Gymnastics website (<http://www.nysboysgymnastics.com>).

All gymnasts must compete in two NY State Qualifying Meets, either Invitational or Local. Junior Elite Gymnasts (those doing technical sequences) must compete in at least one technical sequence meet before State Meet.

Regional Entry:

Coaches, please remember to come to the State Meet with a check and entry form for the Regional Meet Entry. This check is payable to "USA Gymnastics-NYS Men's". Check the Regional Website for entry form and fees... <http://www.region7men.org/>
